

# SP TRAKGRIP

## APPLICATION

A steel belt light truck/recreational radial ply tyre with a multipurpose pattern for on and off road use. The SP Trakgrip offers excellent off-road traction, braking and manoeuvrability in wet or dry conditions. The unique computer-designed block pattern has self-cleaning properties for all off-road surfaces. It has exceptional high speed steering ability plus high levels of comfort, ride refinement, low noise characteristics and improved straight line performance in highway applications.

**Feature:** Computer block-designed pattern

**Benefit:** Unique self-cleaning properties for all off-road surfaces.

**Feature:** Steel radial reinforced construction

**Benefit:** Prevents on/off road damage.
