

LT3+

APPLICATION

An all-wheel position highway commercial tyre that offers excellent handling, superior wet grip capabilities and enhanced resistance to sidewall damage. 'Shield' breaker system provides increased puncture resistance and new compounding promotes exceptional tread life.

- Feature:** Four ribbed steel belt radial tyre
Benefit: Designed to deliver excellent performance in light delivery vehicle and minibus applications.
- Feature:** Kerbing rib
Benefit: Provides increased resistance to sidewall scuffing and damage.
- Feature:** Innovative tread compound
Benefit: Offers enhanced tread mileage and reduced rolling resistance, as well as superb handling in wet conditions.

Tyre Size	Load Index	Speed Index	Overall Diameter (mm)	Section Width (mm)	Maximum Load (kg)	Maximum Pressure (kPa)	Recommended Rim (J)
195 R 14 C	106/104	S	662	200	950	450	5.5
