

SP ENDURA

APPLICATION

An all-wheel position new generation highway commercial tyre of steel radial construction. High mileage potential with high load and speed capability. Ideal for light commercial bakkies and tyres.

- 1. Feature:** Four ribbed steel belt radial tyre
Benefit: Designed to deliver superb performance on highway commercial vehicles such as light trucks, mini buses and delivery vans.
- 2. Feature:** A reinforced sidewall casing
Benefit: Offers excellent handling and stability with high speed capabilities.
- 3. Feature:** New generation pattern
Benefit: Provides high mileage and long, even wearing characteristics due to reduced rolling resistance. The tread pattern also ensures low noise levels which add to the exceptional ride comfort.

Tyre Size	Load Index	Speed Index	Overall Diameter (mm)	Section Width (mm)	Maximum Load (kg)	Maximum Pressure (kPa)	Recommended Rim (J)
