Dunlop Tyres SA

Now redesigned + updated with great new features

Inside the most powerful sales tool ever

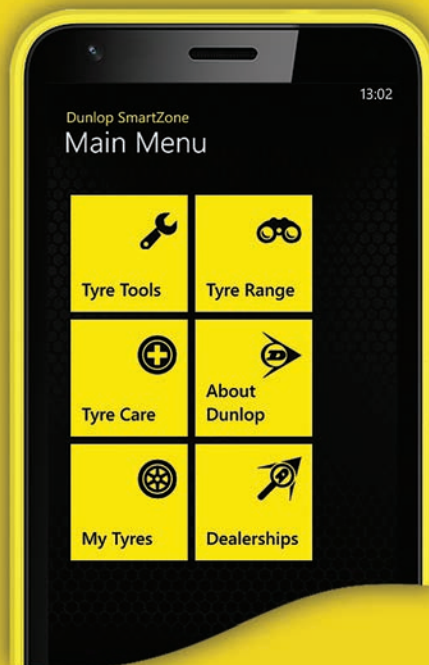

explore the all-new  
**SmartZone**  
mobile app

Note: The navigation and screen functionality depicted is for a Windows® device. The SmartZone App display and navigation may be different for Android and iOS devices.

**SO EASY TO USE** The new Dunlop SmartZone mobile app features a host of new features organised in a redesigned, easy to navigate, menu:

Tap an icon to access the content you want.

## The Home Screen Menu Navigation

OR

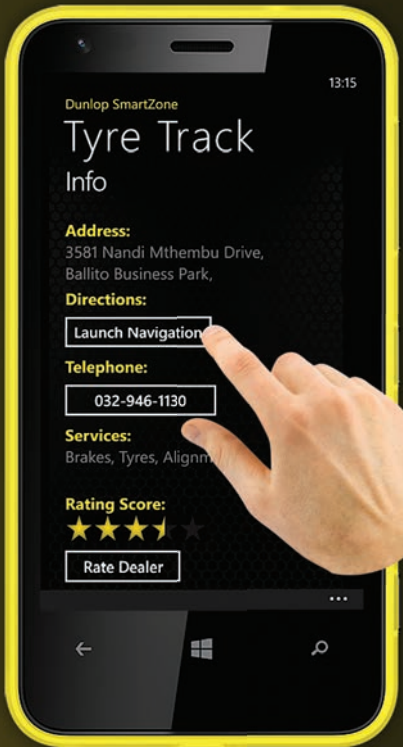

Swipe screen to scroll horizontally through content.

## DEALER LOCATOR

Swipe screen to navigate around country.  
Pinch in and out to zoom to specific areas.

Tap on a dealer to access contact details.

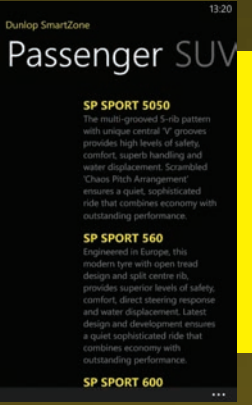

NEW FEATURES

## 2 TYRE RANGE

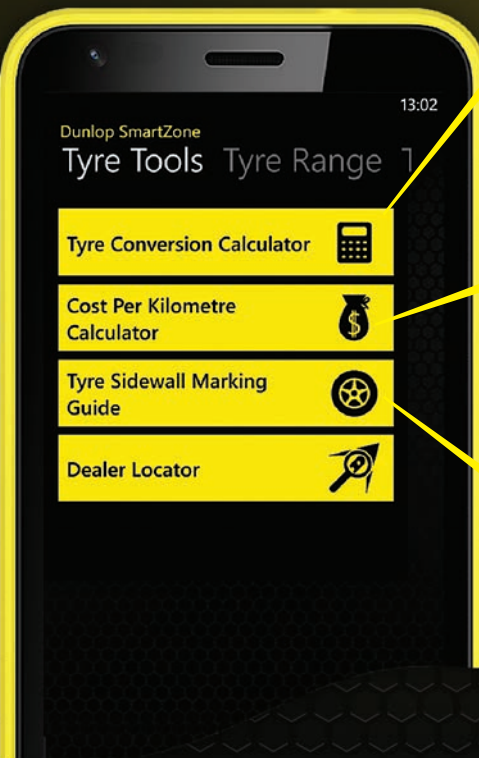

Swipe down to scroll through tyres and tap to select a tyre.

Swipe to see tyre information, available sizes and add personal product information to My Tyres.

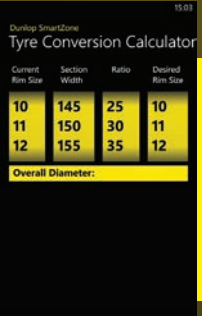

## WHAT'S IN IT FOR YOU?

### 1 TYRE TOOLS

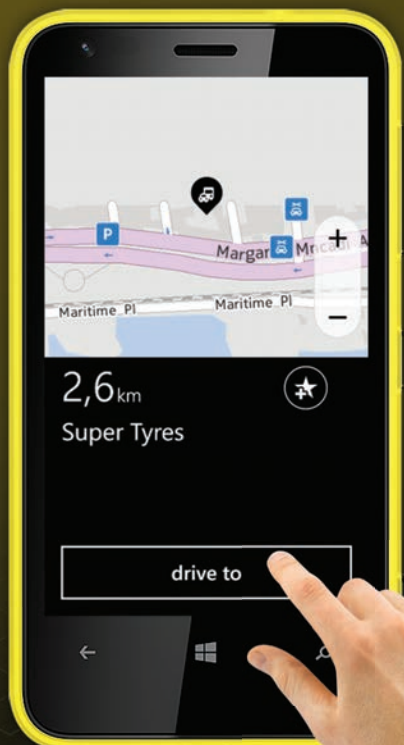

Enter tyre information and desired rim size to get Dunlop recommendations.

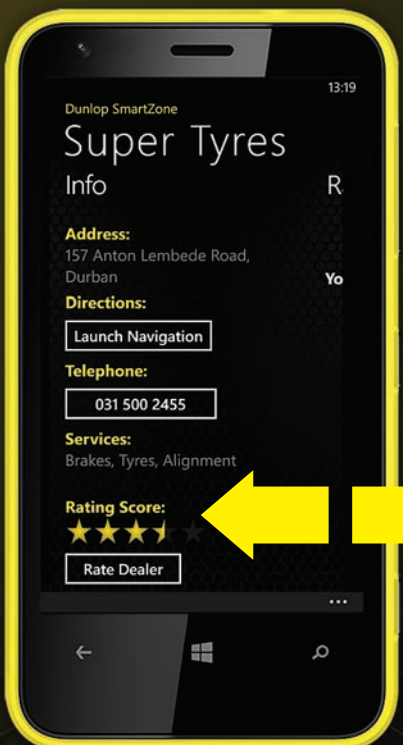

Keep track of your tyre costs with this simple calculator.

Swipe screen to move around the tyre and tap to learn more about specific tyre markings.

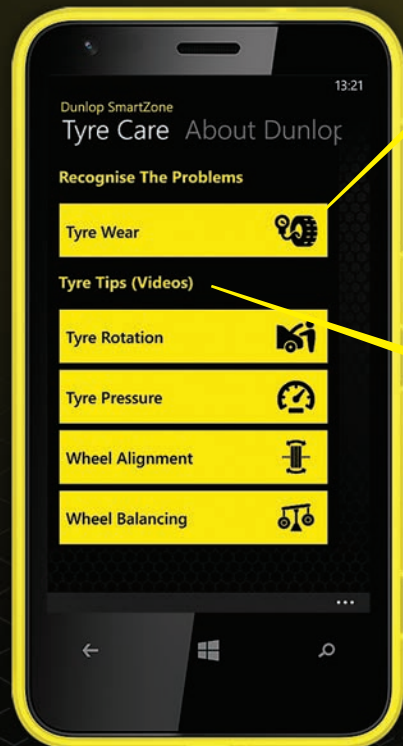

Activate navigation to dealership using your smartphone GPS mapping service.

Swipe across screen to read ratings and reviews of a Dunlop Zone dealership (or rate your experience at a Dunlop Zone).

## 3 TYRE CARE

Tap and swipe vertically or horizontally to see common types of tyre wear and damage, causes and how to resolve the problem.

Tap to select the Tyre Tip Video you want to watch or show a customer.
